My fears clouds but they don't blind
D

Someone has to make you fly out of here
Bm Bm A
Someone has to make you change
G7M
Opportunity made of glass

Broken by my usual delay
G7M
I lock myself and pretend to win

My auto boicot is about to end
G7M
Yes I thought that I had to wait
D
World just let me know I'm not alone
Bm Bm A
Someone has come to let you know
Bm Bm A
That you have to stand up and fly

So far away, to make you change

And if he didn't came I will just run away

His poetry took me and put me on my way
