

# Arsun - Wide World

tom:

Intro: Am Ab Am Ab  
Am Ab Am C F

[Primeira Parte]

I've heard rumors; I've seen signs  
Of a sweet by and by  
And a road you can travel  
Strewn with rubies large as apples

[Refrão 1]

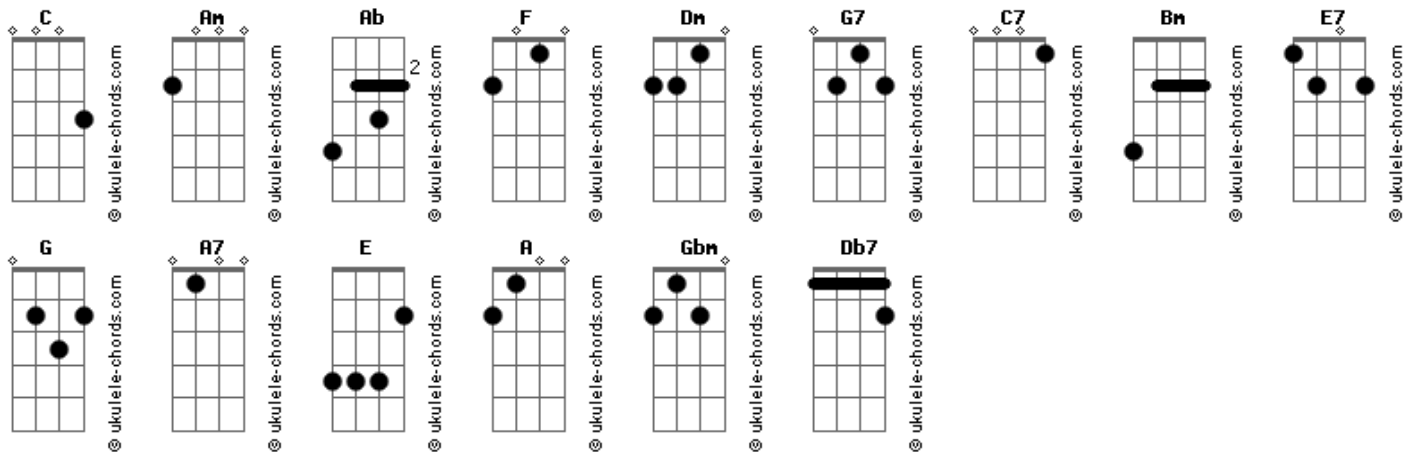

It could be mine if I dared  
It's a wide, wide world out there  
It's a wide, wide world out there

[Segunda Parte]

Like a sparrow on a line  
Whose young wings should be flyin?  
Or a ship that has long lost its way

[Refrão 2]

## Acordes

Can I make it there someday?  
It's a wide, wide world they say  
It's a wide, wide world they say

( Dm Dm G Am )  
( Dm Dm G )

[Terceira Parte]

And if I meet you there  
Then I'll know that we dared  
Open our hearts in the end

[Refrão 3]

Open our hearts in the end  
Open our hearts in the end  
It's a wide, wide world  
It's a wide, wide world  
It's a wide, wide world, my friend

[Final] Am Ab Am Ab  
Am Ab Am C F
