

Art Popular - Dona do Meu Amor

Tom: C

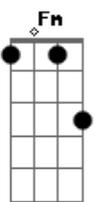

Se veio pra brincar de amor prefiro a solidão
 Do que me entregar pois esse meu tormento só pode passar
 Quando essa luz bater bem no meu coração
 Luz que quando acende em mim me traz uma esperança de amor
 fiel
 Sincero e verdadeiro sem haver terceiros, como um carrossel

De tanto a luz a marca, o próprio apaga
 Hoje canto feliz essa canção essa canção..
 De tanta luz a marca, o próprio tempo apaga
 Hoje canto feliz essa canção....
 Dona do meu amor, vem pra me conquistar
 Quero você aqui, deixa eu te namorar
 Dona me faz sentir, toda essa emoção
 Que é estar junto á ti, vivendo essa paixão.
