

# Art Popular - Nova Era

Tom: G

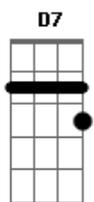

**G** **D7**  
 Dia de sol a saudade aberta  
**Eb** **Em7**  
 Desejo, a imagem desperta  
**Am7** **D7**  
 Um olhar, um sorriso, o vento levou ( levou )  
**G** **D7**  
 Fico sonhando com a nova era  
**Eb** **Em7**  
 Tentando te ver nas estrelas  
**Am7** **D7** **Eb**  
 Caçando a hora o momento de ter... êêêêê...  
**Em7** **Bm7**

Ando de um lado pro outro e ligo a TV  
**C** **Am7** **D7**  
 Onde está você, preciso lhe dizer  
**Eb**  
 Te amo  
**Em7** **Bm7**  
 Toda essa nossa paixão é difícil esquecer  
**C** **Am7** **D7**  
 Onde está você, preciso lhe dizer  
**D7**  
 Que tudo é diferente  
**G** **C** **Am7** **D7**  
 Com a gente, com a gente  
**G** **C** **Am7** **D7**  
 Com a gente, com a gente
