tom:

Intro: Am A7 Dm G7

Élinda essa relação
Que envolve meu coração
Cansado já de sofrer
A ponto de enlouquecer

Pensei que voltar atrás
Seria a solução
Por que fui me apaixonar
Falhei na percepção

Seu jeito judia de mim
Dengosa como um querubim
Com tantos delírios de amor
É na vida

Seu jeito judia de mim

Dengosa como um querubim
Com tantos delírios de amor
Assim

En....tão....vem

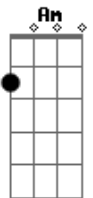

Vem pra me amar, vem pra me amar
Sem você não dá, sem você não dá
Pra viver feliiiiii...iii...iiz

É como o ditado diz
Água em pedra pra furar
Tem que insistir (que insistir, que insistir, que insistir)

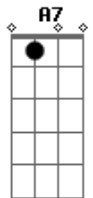

Vem pra me amar, vem pra me amar
Sem você não dá, sem você não dá
Pra viver feliiiiii...iii...iiz

É como o ditado diz
Água em pedra pra furar
Tem que insistir
