

Ary Barroso - Isto aqui, o que é ?

Tom: F

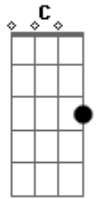

Isso aqui, ô, ô é um pouquinho de Brasil iaiá
 Desse Brasil que canta e é feliz feliz feliz
 É também um pouco de uma raça

Que não tem medo de fumaça ai, ai
 E não se entrega não
 Olha o jeito nas cadeiras que ela sabe dar
 Olha só o remelexo que ela sabe dar
 Morena boa que me faz penar
 Bota a sandália de prata e vem pro samba sambar
