

# Ary Barroso - Na Virada da Montanha

Tom: G

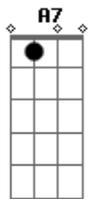

A saudade vem chegando  
 A tristeza me acompanha  
 Só porque... só porque...  
 O meu amor morreu  
 na virada da montanha  
 O meu amor morreu  
 na virada da montanha  
 E quem passa na cidade vê no alto

A casa verde de sapé  
 Ainda a trepadeira no caramanchão  
 Amor-perfeito pelo chão em quantidade  
 A saudade vem chegando ...  
 Pobre casa abandonada além  
 No alto sozinha sem ter lá ninguém  
 Caindo velhinha ao ver  
 os prédios da cidade  
 Ó velha casa, sombra eterna da saudade  
 A saudade vem chegando ...
