

Ary - Reasons To Stay Alive

tom: G

G7M
Wake up 'cuz there's sun outside

G7
Keep your face up, it's ok to cry

Am C
I know you feel alone

G7M
Aren't we all just doing what we can and trying to

G7
Live one day at a time, I know it's hard to do

Am C
I just can't lie

G7M
They asked me why

G7
Why should I be alive

Am
How could I feel alright

When my world's crashing down

C
And I can't see the light

G7M
The smell of rain

G7
Or when my crush says my name

Am
The singing of the birds

C
And chocolate covered raisins

G7M
Hold on to the things that make your heart beat faster

G7
Live one day at a time

Do your best and know

Am C
I'm by your side

They asked me why

G7
Why should I be alive

Am
How could I feel alright

When my world's crashing down

C
And I can't see the light

Em
Look at the sky

G7M
Watch how the clouds fade away

Am
Taking new shapes and forms

C
When it's all in disarray

G7M
They asked me why

G7
Why should I be alive

Am
How could I feel alright

When my world's crashing down

C
And I can't see the light

G7M G7
I'll tell you I've been in your place before

Am
So I'll tell you this and more

C
The world is much bigger than that

G7M
And it's all yours

G7
It's all yours

Am
It's all yours

C
Much bigger than that

G7M
And it's all yours

Acordes
