

# Aryy - Reasons To Stay Alive

tom: G

G  
Wake up 'cuz there's sun outside

G7  
Keep your face up, it's ok to cry

Am C  
I know you feel alone

G  
Aren't we all just doing what we can and trying to

G7  
Live one day at a time, I know it's hard to do

Am C  
I just can't lie

G  
They asked me why

G7  
Why should I be alive

Am  
How could I feel alright

When my world's crashing down

C  
And I can't see the light

G  
The smell of rain

G7  
Or when my crush says my name

Am  
The singing of the birds

C  
And chocolate covered raisins

G  
Hold on to the things that make your heart beat faster

G7  
Live one day at a time

Do your best and know

Am C  
I'm by your side

They asked me why

G7  
Why should I be alive

Am  
How could I feel alright

When my world's crashing down

C  
And I can't see the light

Em  
Look at the sky

G  
Watch how the clouds fade away

Am  
Taking new shapes and forms

C  
When it's all in disarray

G  
They asked me why

G7  
Why should I be alive

Am  
How could I feel alright

When my world's crashing down

C  
And I can't see the light

G G7  
I'll tell you I've been in your place before

Am  
So I'll tell you this and more

C  
The world is much bigger than that

G  
And it's all yours

G7  
It's all yours

Am  
It's all yours

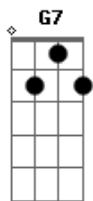

C  
Much bigger than that

G  
And it's all yours
