

Asafe Heandel - Priceless

tom:
Capostrate na 1ª casa

The mirror is not able
To reflect

All my eyes can see
Inside you
Your fears insist on

Following you

I will heal your scars
Dry your tears
Rebuild your heart

I will heal your scars
Dry your tears
Rebuild your heart

Just like the stars
In the sky
You light up my heart

All the way

Know i'll be there

I will heal your scars
Dry your tears
Rebuild your heart

I will heal your scars
Dry your tears
Rebuild your heart

Priceless what I wouldn't
Do to have your smile
Priceless what I wouldn't
Do to have you in my arms

I will heal your scars
Dry your tears
Rebuild your heart

I will heal your scars
Dry your tears
Rebuild your heart
