

Asaph Borba - Conheci Um Mundo Mal

Tom: C

C G
 Conheci um mundo mau,
 Am7 Em7
 E com ele seus ardis;
 F Em
 Me arrastei no lamaçal,
 Dm G
 Tudo isto porque eu quis.
 C G
 Saber mais que qualquer um;
 Am7 Em7
 Construir algum amor,
 F C
 Onde a paz pudesse ser,
 Dm G
 A verdade pra eu ver.

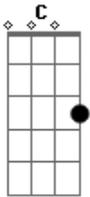

Refrão:

F G C
 Mas Jesus Cristo veio e me achou,
 G Am

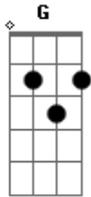

Assim tão sujo;
 F G C
 E numa cruz por mim derramou,
 G Am7
 Sangue tão puro,
 Dm G C
 Foi assim, que me Salvou!

C G
 Eu conheço agora sim,
 Am7 Em7
 A clareza de Jesus;
 F Em
 Foi das trevas que eu vim,
 Dm G
 Encontrei-me com a luz.
 C G
 Hoje quero sim saber;
 Am7 Em7
 Do meu mestre Salvador,
 F Em7
 Quero dar-lhe meu louvor,
 Dm G
 Eu só nele posso crer.
