

# Ashnikko - Good While It Lasted

tom:  
Capostrate na 3ª casa

I was bitter, broken, busted, ripping up our pictures  
All these immature emotions, my eyes run like rivers  
I lashed out, I burned your letters  
I blacked out, I don't remember at all

[Pre-Chorus]  
What we did was childish  
Can we put this behind us? (Ooh ooh)  
White hot raging, I was blinded  
Our big love was so misguided (Ooh ooh)

[Chorus]  
We can't deny that it was magic  
Nothing was nice, but I loved every minute  
All the best love stories end tragic  
We were(ooh), we were bad  
We were good while it lasted (Ooh ooh)  
We were good while it lasted (Ooh ooh)

[Verse 2]  
Forgive me for the nasty things that I say when I'm wounded  
Now that I can think rationally, I feel so stupid  
This is so small in the big simulation  
In the grand scheme of things, we were just a blip

[Pre-Chorus]  
Oh what we did was childish  
Can we put this behind us? (Ooh)  
I'm done, I'm done (Ooh)  
White hot raging, I was blinded  
Our big love was so misguided (Ooh ooh)  
I'm duh done (Ah yeah)

[Chorus]  
We can't deny that it was magic  
Nothing was nice, but I loved every minute  
All the best love stories end tragic  
We were(ooh), we were bad  
We were good while it lasted (Ooh ooh)  
We were good while it lasted (I'm done, I'm done,)  
(I'm done, done, done)  
We were good while it lasted (I'm done, I'm done,)  
(I'm done, done, done)  
We were good while it lasted (I'm done, I'm done,)  
(I'm done, done, done)

[Final]  
I'm done, done, done  
I'm done, done, done  
I'm done, done, done  
I'm done, done, done
