Em

Em
Have you ever woke up from a bad dream?

Em
The one where it seems where you just can't get anywhere

Em
And your legs won't work but your heart's pounding on like a drum

Em
And you're livin' in a city where you just don't know anyone (Anyone)

Em
I see your face in an ocean of people

Em
It's so nice to meet you, so save me from evil

Em
Have you ever woke up from a bad dream? (Hey)

Em
The one where it feels like you just can't let out a scream

C D Em
I've? been holdin' on too long

G C
Reachin' out for what is gone

D B7
Will I stand or will I fall?

C D Em
Will I ev?r learn to fly?

G C
Will I make it out alive?

D B7
Will I stand or will I fall?

Em
Blood on the drums

Em
Givin' it up, all that I got

Em
Blood on the drums

Em
Blood on the drums

Em
Givin' it up, all that I got

Blood on the drums

Blood on the drums

Em
Now, I'm lookin' in the rear view, 105

Em
I don't see nobody wavin', screamin', "Bye, bye, bye"

Em
Now, I'm lookin' back on a hell of a night

Em
Now I've woken from the dream and I'm feelin' alive

Em
They say, "Slow down, give it up, give it up"

Em
Don't you dare listen, never givin' it up

Em
"Slow down, give it up, give it up"

Em
Don't you dare listen, never givin' it up now

C D Em
I've? been holding on to love

G C
Meet you now for what is gone

D B7
Will I stand or will I fall?

C D Em
Will I ev?r learn to fly?

G C
Will I make it out alive?
