

Asking Alexandria - Alone In a Room

Tom: E

 C Am Em G

I've been away, a little while, sometimes I just can't help myself

When my mind's running wild, I seem to lose grip on reality

And I try to disregard the crazy things the voices tell me to do, but it's no use

[Pré-Refrão]

C Am
 I tried to own it, write songs about it

Em G
 Believe me I tried, in the end I needed to breathe

C Am
 Find inspiration, some kind of purpose

Em D
 To take a second to face the shit that makes me, me

[Refrão]

C Am
 All I needed was the last thing I wanted

Em D
 To sit alone in a room and say it all out loud

C Am
 Every moment, every second, every trespass

Em
 Every awful thing, every broken dream

C Am Em
 A couple years back and forth with myself in a cage

Banging my head against the wall tryna put words on a page

All I needed was the last thing I wanted

Em
 To be alone in a room, alone in a room

I saw the world a couple times, tried to cure the ache with absence

But that hole was still a hole and my mind kept playing tricks on me

Em C
 Feeling older every day, took everything I had to not crash and burn

But I'm starting to learn

[Pré-Refrão]

C Am
 Sometimes I'll fall down, sometimes I'll lose hope

Em G C
 But those days will be few if I keep my feet on the ground

I might be lonely, but I ain't alone here

Em D

So I keep pushing the limits of what makes me

[Refrão]

C Am
 All I needed was the last thing I wanted

Em D
 To sit alone in a room and say it all out loud

C Am
 Every moment, every second, every trespass

Em
 Every awful thing, every broken dream

C Am Em
 A couple years back and forth with myself in a cage

All I needed was the last thing I wanted

Em
 To be alone in a room, alone in a room

Em
 (Alone, alone, alone, alone, alone, alone, alone, alone)

Em
 (Alone, alone, alone, alone, 'lone, 'lone, 'lone, 'lone)

Em
 (Lo-lo-lo-lo-lo-lo-lo-lone)
