

Astrud Gilberto - Love Is Stronger Far Than We

tom:

Am
Avec notre passé pour guide
On se devrait d'être lucide
Mais notre méfiance est à bout
L'amour est bien plus fort que nous

Am7 Dm Dm7
When we are close, the world is singing
And when we touch, the night is winging
And there's no way to disagree
For love is stronger far than we

[Refrão]
Gbm7 F7 E7 Am7
When hearts are meant for caring
And lives are meant for sharing
Then we are joined by destiny
And love is stronger far than we

Am7 Dm7
So, we may say another season
May say goodbye and find the reason
But love decides how things must be
And love is stronger far than we

[Refrão]
Gbm7 F7 E7 Am7
When hearts are meant for caring
And lives are meant for sharing
Then we are joined by destiny
And love is stronger far than we
