

ATC - Around the world

tom:

C

[Verso]

Am Em F G

The kisses of the sun
Were sweet
I didn't blink

Am Em F G

I let it in my eyes
Like an exotic dream

Am Em F G

The radio playing songs
That I have never heard

Am Em F G

I don't know what to say
Oh, not another word

[Refrão]

Am Em F G

Just -la la la la la-
It goes around the world

Am Em F G

Just -la la la la la-
It's all around the world

Am Em F G

Just -la la la la la-
And everybody's singing

Am Em F G
La la la la la-
And now the bells are ringing

Am Em F G
La la la la la la la la

[Verso]

Am Em F G

Inside an empty room
My inspiration flows

Am Em F G

Now wait to hear the tune
Around my head it goes

Am Em F G

The magic melody
You want to sing with me

Am Em F G

Just -la la la la la-
The music is the key

Am Em F G

And now the night is gone
Still it goes on and on

Am Em F G

So deep inside of me
I long to set it free

Am Em F G

I don't know what to do
Just can't explain to you

Am Em F G

I don't know what to say
Oh, not another word

[Refrão]

Am Em F G

The kisses of the sun
Around - around - around the world
