                  Gb (forma dos acordes no tom de F )
Capostraste na 1ª casa

       F                                       Am
 If you?re a bit scared you?re living on edge
           Em
It?s hard to escape your worries
F                               Am
 If you?wanna?hide, you?re losing?your mind
                       Em
You gotta lean on somebody
F                      Am
 I?ll?be that somebody for you
                Em
Thousand miles, it don?t matter
F                           Am
  When you?re?feeling?under?pressure
             Em
Say the word,?I?ll be there

 F                                           Am
 ?Cause?you can reach me, easy, whenever you like
         Em                            F
Hit me up, DM, tweet, Kakao me, or FaceTime
                                    Am
?Till we?re free to meet up for a coffee and a smile
             Em
See you on the other side

F                                Am
Don?t let it get, don?t let it get you down
         Em
(you down, you down, you down)
F                                   Am
It?s gonna end, it?s gonna end, no doubt
      Em                      F
I?m out here holding my breath
                             Am
I just can?t wait to see you again, ooh yeah
Em                         F
It feels like it?s been forever
               Am   Em
Counting down the days

C
When it?s overwhelming, hold on tight
     Em
I?ll be here, don?t forget it, 'cause in life
     Am
Sometimes we need a helping hand
            F                Em
You?ll be alright, just take it slow
               C
One day at a time

                      F
If you think you?re trapped
       Am          Em               F
You?re in that box you built yourself, I?ll help you break it
      Am            Em            F
```

```
And I'm gon' catch you when you fall or when you're sinking
             Am                    Em
And when it gets too much, don?t overthink it
F
Don?t look back, let it go (Let it go)
Am            Em
Just keep calm and carry on, oh

                         F
Yeah, they talk a lot but I ain?t tripping
Am                    Em
Trying to drown us, keep on swimming
F
What we have, stay in the moment
Am                   Em
We can?t stop just tryna be honest
F
Put it on lock, we could pull up
           Am                 Em
Yeah, we can keep up, it?s about love
          F
Yeahm We go up top, no, this ain?t luck
         Am                     Em
Yeah, they can all try but they never break us ever

C
When it?s overwhelming, hold on tight
     Em
I?ll be here, don?t forget it, 'cause in life
     Am
Sometimes we need a helping hand
            F                Em
You?ll be alright, just take it slow
               C
One day at a time

F
   Oh, you?ve come so far
Am         Em
   We?re in this together
F
   Even though we?re apart
Am                   Em
Won?t be for long, won?t be for long
       F
We face stormy weather
Am            Em          F
Rain?s pouring, but it never lasts

Only gets better from here

C
When it?s overwhelming, hold on tight
     Em
I?ll be here, don?t forget it, 'cause in life
     Am
Sometimes we need a helping hand
            F                Em
You?ll be alright, just take it slow
               C
One day at a time
