

# Audioslave - Black Hole Sun

Tom: **D**

(Versão Acústica )

(intro)

Verso:

In my eyes  
Indisposed  
In disguise as no one knows  
Hides the face, Lies the Snake  
The sun in my desgrace

Black hole sun, Won't you come  
And wash away the rain  
Black hole sun, Won't you come... Won't you come...  
Black hole sun, Won't you come  
And wash away the rain  
Black hole sun, Won't you come... Won't you come...  
Agora é tocado em acordes:

Boiling heat  
Summer stanch  
'Neath the black the sky looks dead  
Call my name through the cream  
And I'll hear you scream again

Refrão:

Black hole sun, Black hole sun, Won't you come...  
Black hole sun, Black hole sun, Won't you come...  
Black hole sun, Black hole sun, Won't you come...  
Black hole sun, Black hole sun...

Interlúdio:

Verso:

Hang my head  
Drown my fear  
Till you all just disappear

Refrão:

Black hole sun, Black hole sun, Won't you come...  
Black hole sun, Black hole sun, Won't you come...  
Black hole sun, Black hole sun, Won't you come...  
Black hole sun, Black hole sun...

Black hole sun  
Won't you come  
And wash away the rain  
Black hole sun  
Won't you come...  
Won't you come...

Verso:

Stuttering  
Cold and damp  
Steal the warm wind tired friend  
Times are gone for honest men  
And sometimes far too long for snakes

Black hole sun, Won't you come  
And wash away the rain  
Black hole sun, Won't you come... Won't you come...  
Black hole sun, Won't you come  
And wash away the rain  
Black hole sun, Won't you come... Won't you come...  
A música termina tocada em acordes:

In my shoes  
Walking sleep  
And my youth I pray to keep  
Heaven send  
Hell away
