Well now if you want blood with your money, You can help yourself, And if you want a lot more then you got coming, I will never tell, I will weigh all your time and your wealth,

Acordes

If it makes you smile, But now if you want something worth while, I can show you how

Listen to me now come on Give Look them in the eye and give? Theres nothing to decide come on give Look them in the eye and give? Take it all in stride

When you got enough food on your table Blood in your mouth And now you wanna taste something better Then just spit it uot

Listen to me now come on Give Look them in the eye and give? Theres nothing to decide come on give Look them in the eye and give? Take it all in stride

Oooohhhh, Ooohhh, Oooohhhh, Ooohhh,

Theres nothing to decide, come on give?
Look them in the eye and give?
Take it all in stride
