SHINE!

I don't know why  
all the fiction of your sleeping  
doesn't visit you awake  
I don't know how to get your story book sunrise

to follow you above your cloudy day  
all these gifts you left on you  
with heaven painted on you  
I wish this now with all my soul

May all your visions turn to gold  
to have and hold  
May all your visions turn to gold  
May all your visions turn to gold  
to have and hold  
May all your visions turn to gold

Terrified the world will never turn to look at you  
and the sun won't see you shine  
She'll resign for rose cooked blush just from your smiling  
let the water form a cry  
Only better luck should greet you  
the road should rise to meet you  
I wish this now with all I know

May all your visions turn to gold  
to have and hold  
May all your visions turn to gold  
May all your visions turn to gold  
to have and hold  
May all your visions turn to gold

Loose inside your winter  
Feel the cold wind blowing  
Cutting through your head and through your ears  
Feel the fire growing  
No more frozen danger  
No more wrteched ice storm fear

May all your visions turn to gold  
to have and hold  
May all your visions turn to gold  
May all your visions turn to gold  
to have and hold  
May all your visions turn to gold

Obs: Essa música também é conhecida como "Gold visions" e "Turn to gold".
