

## Audioslave - Yesterday to Tomorrow

tom: G /ou\ : Slide  
 x: Mufled string  
 p: Pull-off

**A** Intro é feita pelo baixo, e o verso é tocado com TREMOLO. Ouça e preste bêm atenção onde é feito o dedilhado...

Verso:

Beauty is what the eyes behold  
 And you burn brighter than most

I chased you through the midnight streets  
 To be where I could speak freely  
 I didn't care what tomorrow held  
 I felt the world turning only for us  
 Only bliss now for you and me  
 Rise up let life's kiss send us reeling

Refrão:  
 (Chorus)

And unlike the times before  
 From yesterday comes tomorrow  
 When life comes alive...

...the past moves aside  
 No regrets and no remorse  
 Come on... Come on... Come on...

Verso:

We have more than everything  
 More than man or machine  
 More than luck  
 More than fiction  
 Higher than any religion

Refrão:

And unlike the times before  
 From yesterday comes tomorrow

When life comes alive...

...the past moves aside  
 No regrets and no remorse

Interlúdio:

We'll squeeze the blood out of life  
 And say goodnight to the silver of old  
 Even when wrong we're right  
 Far beyond the world of diamonds and gold  
 I've come to to realize  
 Where happiness lies  
 I want you to know I know

Pré solo:  
 (Ouça a música para pegar a hora certa de abafar as cordas e use um oitavador nesta parte e no solo)

Come on... Come on... Come on...

Solo:

Refrão:

And unlike the times before  
 From yesterday comes tomorrow  
 When life comes alive...

...the past moves aside  
 No regrets and no remorse  
 Come on... Come on... Come on... Uh...
