

Audioslave - Yesterday to Tomorrow

Tom: A

m Am
Beauty is what the eyes behold
G F
And you burn brighter than most
Am
I chased you through the midnight streets
G F
To be where I could speak freely
Am
I didn't care what tomorrow held
G F
I felt the world turning only for us
Am
Only bliss now for you and me
G F Am
Rise up let life's kiss send us reeling

Am G D Am
And unlike the times before
Am G D Am
From yesterday comes tomorrow
Am G D Am
When life comes alive the past moves aside
Am G D Am
No regrets and no remorse

Am G D Am
Come on
Am G D Am
Come on
Am G D Am
Come on

Am
We have more than everything
G F
More than man or machine
Am
More than luck, more than fiction
G F Am
Higher than any religion

Am G D Am
And unlike the times before
Am G D Am
From yesterday comes tomorrow

Am G D Am
When life comes alive the past moves aside
Am G D Am
No regrets and no remorse

F E
We'll squeeze the blood out of life
Am D C G
And say goodnight to the silver of old
F E
Even when wrong we're right
Am D C G
Far beyond the world of diamonds and gold
F E
I've come to realize
Am D
Where happiness lies
C
I want you
D Am Am
to know, I know

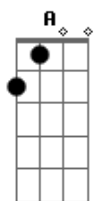

Am G D Am
Come on
Am G D Am
Come on
Am G D Am
Come on

[Solo] Am G D Am
Am G D Am
Am G D Am

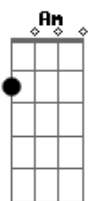

Am G D Am
And unlike the times before
Am G D Am
From yesterday comes tomorrow
Am G D Am
When life comes alive the past moves aside
Am G D Am
No regrets and no remorse

Am G D Am
Come on
Am G D Am
Come on
Am G D Am
Come on
