Augustieners - I Got You

Tom: G

   Riff 1:
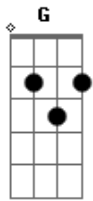

Riff 2:

Solo:

Am   C   G   D
   However that's not a fucking damn world, as everyone says
Am (riff 1)   C   G   D
   I always feel good beside you   or when I see your face
Am   C   G   D
   Together it seems pretty good, I could like this place
Am   C
   So why don't we discover this whole thing
G   D
   take you bag and follow me

Am   C
   I got you,   I got my time

               G   D
I gotta set it free and no look behind
Am   C
   I got you, That's what I want
            G   D
So let's get out and sing this song

Am   C   G   D
   That was love, you and me, inside my car, being free
Am   C   G   D
   With fire on our souls, seeing the stars rolling in love
Am   C
   It could be dumb, it could be scare
G   D
   but doesn't matter, I don't care
Am   C   G D
   It was fun, I don't regret ... yeah yeah

Am   C
   I got you,   I got my time
            G   D
I gotta set it free and no look behind
Am (Riff 2)   C
   I got you, That's what I want
            G   D
So let's get out and sing this song
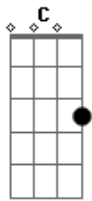

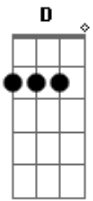

Acordes
