

Auli'i Cravalho - Feels Like Home

tom:

Oh, I saw the truth
 When I first laid eyes on you
 I didn't know it
 But my life had changed
 In ways I couldn't rearrange
 And all I saw was you
 You burnt bright like a fire in the pouring rain
 Those things I couldn't explain
 Oh, what I saw in you

Take me, I'm ready
 Go slow, but go steady
 To a place that we can call our own
 I wanna know what feels like home

Take me, I'm ready
 Go slow, but go steady
 To a place that we can call our own
 I wanna know what feels like home
 To you

(F C Bb C)

(F C Bb C)

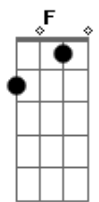

Oh, but now
 Back in the real world
 Back in this ordinary town
 I wanna feel it all with you
 I'm so tired of trying to fight away
 The tears I couldn't hide
 And say that all I want is you

Take me, I'm ready
 Go slow, but go steady
 To a place that we can call our own
 I wanna know what feels like home
 To you ? uh ? uh ? uh

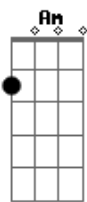

Take me, I'm ready
 Go slow, but go steady
 To a place that we can call our own
 I wanna know what feels like home
 To you
