

# Aurea - Star

Tom: G

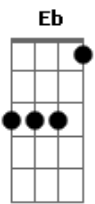

G Eb  
It's a quarter past nine  
G Eb  
And I'm ready to depart  
G Eb  
My heart gets colder  
G G7 (G-A-B )  
My soul empty and dark  
C D  
It's time to draw a blank  
Eb Em  
Over my dreams and expectations  
A  
Just play the role  
A A D  
Carry on with no denial  
  
G Eb  
Maybe there's a chance  
G Eb  
To step out and run away  
G Eb  
Or maybe nothing else  
G G7 (G-A-B )  
Besides anguish and despair  
C D  
'Cause years went by  
Eb Em  
Since I multiplied my own name  
A  
So here I am now  
D  
Your fantasy  
G  
False shining star  
  
G B Em Eb  
I'll fake you love and glory  
  
G B Em Eb  
Be the star in your story  
  
G  
I'm all you deserve  
B  
And quietly serve

Em  
Desires and whims  
A  
That you dream  
  
G Eb  
Tonight, look at me smiling  
G Eb  
While you reign and dictate all the rules  
G Eb  
If you could just be able  
G G7 (G-A-B )  
To grasp beyond what you see  
C D  
But why would you care  
Eb Em  
If you have me, your possession  
A  
So here I am now  
D  
Your fantasy  
G  
False shining star  
  
Refrão:  
Em Eb  
I will lie to please your fiction  
G Eb  
Playing my role accurately  
Em  
All desires with fire  
Eb  
All secrets with velvet  
G Eb  
I'll be who you want me to be  
C D  
But you see the point is while you lust  
Eb Em  
My heart is bleeding  
A A D  
I will cry, I will scream, I will roar  
  
Refrão:  
Em Eb  
I will lie to please your fiction  
G A  
But I'll never be yours
