

Aurora - Black Water Lilies

Tom: **B**

Verso 1:

When I'm on a boat
I float - I know I can never drown
I see underwater and
The wind is the only sound

Pré-Refrão:

Take your hand when I go under
I'm under and above
Take your hand when I go under
I'm under and above

On the river
I'm floating in
Underwater
I'm diving into the ocean
A thousand black water lilies
On the river
I'm floating in
Underwater
I'm diving into the ocean
A thousand black water lilies
Black water lilies

Verso 2:

Arms are reaching forwards

My arms - I can see no more
We dance as we float around
We head towards the ocean floor

Pré-Refrão:

Take your hand when I go under
I'm under and above
Take your hand when I go under
I'm under and above

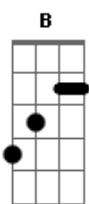

On the river
I'm floating in
Underwater
I'm diving into the ocean
A thousand black water lilies
On the river
I'm floating in
Underwater
I'm diving into the ocean
A thousand black water lilies

Final:

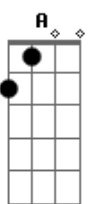

I am warm
Floating down
I am reborn
