

Aurora - Conqueror

Tom: C

Broken mornings, broken nights

And broken days in between

Open ground, the sky is open

Makes an open sea

Just like in fiction, in every addiction

Oh fantasy's taking over, awake me

I've been looking for the conqueror

But you don't seem to come my way

I've been looking for the only one

But you don't seem to come my way

Inter: C D F

Broken me and broken them

You are broken too

Open ears, their eyes are open

Makes me call for you.

But there's no seduction only destruction

Oh fantasy take me over and break me

I've been looking for the conqueror

But you don't seem to come my way

I've been looking for the only one

But you don't seem to come my way

I've been looking for the conqueror

But you don't seem to come my way

I've been looking for the only one

But you don't seem to come my way (Pausa)

And I feel ali-li-live

I feel ali-li-live

I feel ali-li-live

I feel ali-li-live

I've been looking for the conqueror

But you don't seem to come my way

I've been looking for the only one

But you don't seem to come my way

I've been looking for the conqueror

But you don't seem to come my way

I've been looking for the only one

But you don't seem to come my way
