Am tom:  
[Primeira Parte]

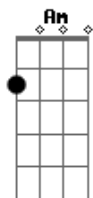

Am  
I was a moving thing  
Before I was a human being  
Dm  
I was the ice before it melts  
I was the tree before it fell  
Gadd9  
My dear, come near  
Em Fadd9  
Do you understand what is happening?  
Am  
Crawl beneath the earth  
To feel the hunger and the thirst  
Dm  
If you could fly and be the bird  
Then you would see the forest burn  
Gadd9  
My dear, come near  
Em Fadd9  
Do you understand what is happening?

( Am Dm )

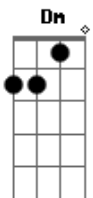

[Refrão]

Dm  
Who is calling me for the emergency?  
Gadd9 Em Fadd9  
Who is listening to the sirens singing?
