tom:

**Bm**

**A** **Dbm** **Gb**

It's a god-awful small affair

**Bm** **D** **E**

To the girl with the mousy hair

But her mummy is yelling "No"

**E**

And her daddy has told her to go

**A** **Dbm** **Gb**

But her friend is nowhere to be seen

**Bm** **Gb** **Bb** **D**

Now she walks through her sunken dream

To the seat with the clearest view

**E**

And she's hooked to the silver screen

[Pré-Refrão]

**C** **E** **Am**

But the film is a saddening bore

**Bb**

For she's lived it ten times or more

**F** **A** **Dm**

She could spit in the eyes of fools

**Eb**

As they ask her to focus on

[Refrão]

**D** **G**

Sailors fighting in the dance hall

**Bm** **Bb** **A**

Oh man! look at those cavemen go

**Am** **Em**

It's the freakiest show

**Gm** **D**

Take a look at the lawman

**G**

Beating up the wrong guy

**Bm** **Bb** **A**

Oh man! Wonder if he'll ever know

**Am** **Em**

He's in the best selling show

**Gm** **Bm** **Bb** **D** **E**

Is there life on Mars?

[Segunda Parte]

**A** **Dbm** **Gb**

It's on America's tortured brow

**Gb**

That Mickey Mouse has grown up a cow

**Bm** **Bb** **D**

Now the workers have struck for fame

**E**

'Cause Lennon's on sale again

**A** **Dbm** **Gb**

See the mice in their million hordes

**Gb**

From Ibeza to the norfolk broads

**Bm** **D**

Rule Britannia is out of bounds

**E**

To my mother, my dog, and clowns

[Pré-Refrão]

**C** **E** **Am**

But the film is a saddening bore

**Bb**

For I've writ it ten times or more

**F** **A** **Dm**

It's about to be writ again

**Eb**

As I ask you to focus on

[Refrão]

**D** **G**
