Aurora - Warrior

Tom: G
Intro: Em C Am Bm

```
  Em          C
  I fall asleep in my own tears
Am                    Bm
  I cry for the the world, for everyone
Em             C
  And I build a boat to float in
     Am            Bm
  I'm floating away

Em              C
  I can't recall the last time
    Am                         Bm
  I opened my eyes to see the world as beautiful
Em              C
  And I built a cage to hide in
       Am            Bm
  I'm hiding, I'm trying to battle the night

D           G             C
  Let love conquer your mind
  C
  Warrior, warrior
D          G           C
  Just reach out for the light
  C
  Warrior, warrior
D        G       C
  I am a warrior
  C
  Warrior, warrior
