

Aurora - When The Dark Dresses Lightly

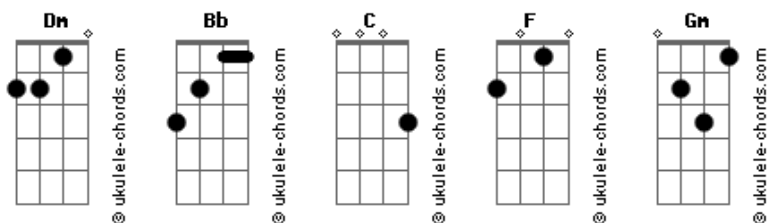

tom:
Intro: Dm

Ooh-ooh, ooh
Ooh-ooh, ooh
Ooh-ooh, ooh
As I pour out my story
Drink me up, there is wine in every word
Here's to us now, my dear
We're being strong now
And the dark dresses lightly
Razor sharp as it cuts
Right through my soul
Here's to us now, my dear
You took too long

Guess I shouldn't have kept the knife in my heart for so long
Guess I shouldn't have held back when I needed you to know
Guess I shouldn't have kept the knife in my heart for so long
Guess I shouldn't have held back when I needed you to know
Ooh, oh, I just want to cry
Ooh, oh, with you tonight
Ooh, oh, it's perfectly fin?
To grieve the hurt that's gonna di?
Ooh-ooh, ooh
Ooh-ooh, ooh

Let us danc? to our sorrow
Make amends
There's so much you still don't know
Here's to us now, my dear
We're going deep now

Acordes

All this fear, it's contagious
Now we're here
Let our glasses overflow
Here's to us now, my dear
We took too long
Guess I shouldn't have kept the knife in my heart for so long
Guess I shouldn't have held back when I needed you to know
Guess I shouldn't have kept the knife in my heart for so long
Guess I shouldn't have held back when I needed you to know
Ooh, oh, I just want to cry
Ooh, oh, with you tonight
Ooh, oh, it's perfectly fin?
To grieve the hurt that's gonna di?
Ooh-ooh, ooh
Oh, oh, oh, can you feel it? (ooh-ooh, ooh)
Mm, yeah, mm,yeah
Let me feel it (ooh-ooh, ooh)
Louder, louder (ooh-ooh, ooh)
Louder, louder, louder (ooh-ooh, ooh)
To the river, to the water
Where the floodgates are wide open
And the tower has fallen onto you
Let me feel it, darling, darling, darling
(To the river, to the water)
Let me feel it, darling, darling, darling
(Where the floodgates are wide open)
Let me feel it, darling, darling, darling
(And the tower has fallen onto you)
Oh, yeah, oh, yeah, oh yeah
