

# Austin e Ally - Without You

Tom: **C**  
Intro: **F Gb G**

**F**  
When the crowd wants more  
**Bb**  
I bring on the thunder  
**F**  
Cause you got my back  
**C**  
And I'm not going under

**F** ( **Bb** )  
You're my point, you're my guard  
**Bb**  
You're the perfect cord  
**F**  
And I see our names together  
**C**  
On every billboard

**F**  
We're headed for the top,  
**Bb**  
We got it on lock  
**F** **C**  
We'll make 'em say ''hey'' and we'll keep rockin'  
Oh

**F**  
There's no way  
**Bb**  
I can make it without ya  
**F**  
Do it without ya,  
**C**  
Be here without ya  
**F** **Bb**  
It's no fun when you're doing it solo  
**F**  
With you it's like whoa  
**C**  
Yeah and I know

**F**  
I  
**Bb**  
I'm this dream  
**F** **C**  
Cause I got you with me  
**F**  
There's no way  
**Bb**  
I can make it without ya  
**F**  
Do it without ya,  
**C** **F**  
Be here without ya
