

# Austin Mahone - Apology

Tom: **G**

I'm trying to fit this letter in a bottle **C**  
**Em** I only hope the message can sail to you safe **C**  
**G** Someone said turn to The Bible **C**  
 But I don't know what God's gonna say **Em**  
 'Cause I broke his angel's heart **C**  
 So it's kinda hard to pray tonight **G**  
 'Cause you're not here **C**  
 You say you don't want nothing to do with me **Em**  
 My biggest fear **C**  
 Is you'll never hear my apology **G**  
 Woah-ooh, my apology **C**  
 Woah-ooh, my apology **Em**  
 Woah-ooh, my apology **C**  
 Woah-oo-ooh  
**G** I'm sorry I couldn't be everything you wanted me to be **C**  
 Oh, yeah  
**Em** And if this is how you remember our love, oh, yeah **C**  
**G** Then, girl, let this be the most beautiful letter **C**  
 That you'll ever read in your life  
**Em** **C**

I'm leaving my heart on this page  
 Cause I should be there with you tonight **G**  
 'Cause you're not here **C**  
 You say you don't want nothing to do with me **Em**  
 My biggest fear **C**  
 Is you'll never hear my  
**G** I only want you to be  
 Sitting here next to me **C**  
 I'll hold you close, look in your eyes  
 Promise, girl, I'll make it right **Em**  
 I only need a piece of you **C**  
 That still wants to be in my life  
 Forever  
**G** 'Cause you're not here **C**  
 You say you don't want nothing to do with me **Em**  
 My biggest fear **C**  
 Is you'll never hear my apology **G**  
**G** 'Cause you're not here **C**  
 You say you don't want nothing to do with me **Em**  
 My biggest fear **C**  
 Is you'll never hear my apology **G**
