So fine

I swear I'd do some time
         Em
If it meant your smile would
          D   G
Never fade away
          C
And all night
          G
I could look into your eyes
             Em
While the moonlight complements

Your face
