Em **C** **D**
I built my walls up high

Em **C** **D**
But now they're falling and you're the reason why

Em **C** **D**
And with you I'm not alone

G **C** **G**
Cause you are the one I've waited for

Em **C** **D**
But my heart's been locked away

Em **G** **D**
I hid inside just so I'd feel safe

Em **G** **D**
I'll give in, won't be afraid

C **G**
Cause you are the one I've waited for

C **D** **G**
This is love, it's love, it's love

C **D** **G**
This is love, it's love, it's love

Em **C** **D** **G**
I've been searching so long for a feeling like this

Em **C** **D** **G**
Cause you are the one I've waited for

Em **C** **D**
I said when the time is right

Em **D**
I'll meet that someone that'll make me shine

Em **C** **D**
And right now that time has come

G **C** **G**
Cause you are the one I've waited for

Em **C** **D**
I guess you have waited too

Em **G** **D**
To fall in love with someone that's true, yeah

Em **G** **D**
So tonight, don't let it go

C **G**

Cause you are the one I've waited for

C **D** **G**
This is love, it's love, it's love
