[Primeira Parte]

  E
Never, did the thought ever cross
    Abm

    Dbm
Forever, no one tells you the cost

       Dbm
Once sweet words, now they come with a bite
    Abm
Oh hungry eyes, hungry eyes

[Pré-Refrão]

          Gbm
I would give up the world, but it won't save us
     B
It's killing me inside out, because
