

Avantasia - Lucifer

Tom: **G**
Intro: **Em C D C**

Em
Eternity is a goal I must have fallen
C
Through my pride being perfect in my ways
D
The morning starling fire down from heaven
C
Oh every wrap into a gown of grace
Em
I hear the screams that echo from the darkness
C
I swear from dawn to dusk came off the edge
D
Oh hear the creature crying in the distance
Em
Buried in the symbol on a shelf
C **D**
I'll take you home tonight, to the center of your soul
Em
I'll take you home tonight. Fire, flesh and blood
D **C** **D**
Touching the flames tonight, touching your flames tonight
Am **Bm** **Em**

Morning is dying, brace me on these grounds, angel of light
(**Em D C D**)(4x)
Em **C** **D** **A** **G**
Em
How will I forgive him who wouldn't forgive me who just value
the power
C **D** **G**
Gbm **Em**
How should I live in peace with the one, I'll shining be in
the happy devour
C **D** **A**
G **Em**
The feeling of light under the skies, black shape is the moon
our scarlet tonight
C **D** **A**
I'll make you fume in fury and rage I'll make you see what you
made of tonight
C **D** **Em**
I'll take you home tonight to center of your soul
C **D** **Em**
I'll take you home tonight fire, flesh and blood
C **D** **Em**
Touching the flames tonight, touching the flames tonight
C **D** **Em**
Touching the flames tonight, touching the flames tonight
