

# Avantasia - Lucifer

Tom: **G**  
Intro: **Em C D C**

**Em**  
Eternity is a goal I must have fallen  
**C**  
Through my pride being perfect in my ways  
**D**  
The morning starling fire down from heaven  
**C**  
Oh every wrap into a gown of grace  
**Em**  
I hear the screams that echo from the darkness  
**C**  
I swear from dawn to dusk came off the edge  
**D**  
Oh hear the creature crying in the distance  
**Em**  
Buried in the symbol on a shelf  
**C** **D**  
I'll take you home tonight, to the center of your soul  
**Em**  
I'll take you home tonight. Fire, flesh and blood  
**D** **C** **D**  
Touching the flames tonight, touching your flames tonight  
**Am** **Bm** **Em**

Morning is dying, brace me on these grounds, angel of light  
( **Em D C D** )(4x)  
**Em** **C** **D** **A** **G**  
**Em**  
How will I forgive him who wouldn't forgive me who just value  
the power  
**C** **D** **G**  
**Gbm** **Em**  
How should I live in peace with the one, I'll shining be in  
the happy devour  
**C** **D** **A**  
**G** **Em**  
The feeling of light under the skies, black shape is the moon  
our scarlet tonight  
**C** **D** **A**  
I'll make you fume in fury and rage I'll make you see what you  
made of tonight  
**C** **D** **Em**  
I'll take you home tonight to center of your soul  
**C** **D** **Em**  
I'll take you home tonight fire, flesh and blood  
**C** **D** **Em**  
Touching the flames tonight, touching the flames tonight  
**C** **D** **Em**  
Touching the flames tonight, touching the flames tonight
