A dream of a dwelling inside, alone we come and alone we go
And who am I to know what I feel? Sympathy that's tearing me apart

Attraction of the distance to a heart of affinity

[Refrão]

What if love would leave your heart an open sore

And I can't reveal what even I don't know

This love you feel you waste away on me

What kind of love would let us bleed away?

No kind of love would make us bleed away

Acordes

If only you could be the one to take a look inside

I feel so incomplete

A broken man in need of mother love

I'm suffering in silence and no one wants to see

And only God is watching as I bleed

A star above, my matching piece

[Refrão]

[Ponte]

Feeeeeel, that's all I gotta do and it will heeeal you

Feeeeeel the pain to lead you home to peace of mind, dwell inside

Feeeeeel, that's all you gotta do and it will heeeal the wound

Feeeeeel the pain be a song for peace of mind, dwell inside
