

Avenged Sevenfold - Angels

Tom: G

Primeira Parte:

Em C Gbm B7
Took me years to make my motives clear
Em C Gbm B7
And the days have not been kind
Em C Gbm B7
Once a steady gaze and charming smile
Em C Gbm B7
Has been buried in the lines I find

Em C Gbm B7
I walk in the noise, quiet employs
Em C Gbm B7
And darkness seems to know just where I am

Refrão:

C Am E E
Mother wash the devil from my hands
C Am E E
Pray the Lord I have the strength to stand
C Am E E
Mother, tell me was it all a lie?
E C Am E
Show me where the angels die

Segunda Parte:

Em C Gbm B7
There are words that never found my lips
Em C Gbm B7
There are words I'd soon forget
Em C Gbm B7
Thought the trick was never to look back
Em C Gbm B7
But it seems I've lost my grip, I slip

Em C Gbm B7
The faster we run now, the closer the gun now
Em C Gbm B7
And somehow all the bullets bear my name

Refrão:

C Am E E
Mother wash the devil from my hands
C Am E E
Pray the Lord I have the strength to stand
C Am E E
Mother, tell me was it all a lie?
E C Am E
Show me where the angels die

SOLO: C Em (x4)
Am C F F (x4)

Terceira Parte:

Em C Gbm B7
Took the road but should have chased the stars
Em C Gbm B7

Now I've lost my own way home
Em C Gbm B7
Had a photo of the time we shared
Em C Gbm B7
But I burned it long ago, I know

Em C Gbm B7
I struck the matches stuck in the ashes
Em C Gbm B7
Forgive me, won't you simply speak my name

Refrão:

Mother wash the devil from my hands
C Am E E
Pray the Lord I have the strength to stand
C Am E E
Mother, tell me was it all a lie?
E C Am E
Show me where the angels die
