Tom: **G**

Intro 2x: **G D Em Bm C G D**  
(Violão 2)

(Final)

Primeira Parte:

**G D Em Bm**  
A lonely road, crossed another cold state line  
**C G D**  
Miles away from those I love purpose hard to find  
**G D Em Bm**  
While I recall all the words you spoke to me  
**C G**  
Can't help but wish that I was there  
**D**  
Back where I'd love to be, oh yeah

Refrão:

**G D Em D**  
Dear God the only thing I ask of you is  
**C G**  
to hold, her when I'm not around  
**D**  
when I'm much too far away  
**G D Em D**  
We all need that person who can be true to you  
**C G**  
But I left her when I found her  
**D**  
And now I wish I'd stayed  
**C D**  
?Cause I'm lonely and I'm tired  
**B7 Em D C**  
I'm missing you again oh no  
**G**  
Once again

Primeira Parte - com variação na letra:

**D Em Bm**  
There's nothing here for me on this barren road  
**C G**  
There's no one here while the city sleeps  
**D**  
and all the shops are closed  
**G D Em Bm**  
Can't help but think of the times I've had with you  
**C G D**  
Pictures and some memories will have to help me through, oh  
yeah

**Em Eb C G D**  
Some search, never finding a way

I found you, something told me to stay  
**Em Eb C G D**  
I gave in, to selfish ways  
**Am7 D**  
And how I miss someone to hold  
  
when hope begins to fade...
