

Avenged Sevenfold - Dear God

tom:
F (forma dos acordes no tom de E)
Capostrate na 1ª casa

A lonely road, crossed another cold state line
Miles away from those I love, purpose hard to find
While I recall all the words you spoke to me
Can't help but wish that I was there
At where I'd love to be, oh, yeah

Dear God, the only thing I ask of You
Is to hold her when I'm not around
When I'm much too far away

We all need that person who can be true to you
But I left her when I found her
And now I wish I'd stayed

'Cause I'm lonely and I'm tired
I'm missing you again, oh, no
Once again

There's nothing here for me, on this barren road
There's no one here while the city sleeps
And all the shops are closed
Can't help but think of the times I've had with you
Pictures and some memories will have to help me through, oh, yeah

Dear God, the only thing I ask of You
Is to hold her when I'm not around
When I'm much too far away

We all need that person who can be true to you
But I left her when I found her
And now I wish I'd stayed

'Cause I'm lonely and I'm tired
I'm missing you again, oh, no
Once again

Some search, never finding a way
Before long, they waste away
I found you, something told me to stay
I gave in to selfish ways

And how I miss someone to hold
When hope begins to fade

A lonely road, crossed another cold state line
Miles away from those I love, purpose hard to find

Dear God, the only thing I ask of You
Is to hold her when I'm not around

When I'm much too far away
We all need that person who can be true to you
But I left her when I found her
And now I wish I'd stayed

'Cause I'm lonely and I'm tired
I'm missing you again, oh, no
Once again

Hey (oh, oh), yeah, yeah
