Avenged Sevenfold - Exist (feat. Neil deGrasse Tyson)

```
Tom: G
Intro: Bb  Am  Dm
         Bb  Am  Dm
         Bb  Am  Dm
         Bb  Am  Dm

Bb                Am          Dm
   Our truth is painted across the sky
Bb            Am          Dm
   In our reflection, we learn to fly
Bb            Am
   No hand to hold us
Gm         Dm        C           Dm
   No one to save us from tomorrow

( G#dim7   Am   Bdim7   C )

F                          Am
Sailing away, beyond the reach of anyone
F                       Am           Bb   F
Far beyond the dreams of everyone
C     Em          Am         Em
    No light to follow, a shot in the dark
Dm                   G
      Does anybody know?
F                          Am
Sailing away, beyond the reach of anyone
F                       Am           Bb   F
Far beyond the dreams of everyone
C     Em          Am         Em
    High from the heavens, I can't see the pain
Dm                   G
      Does anybody care?

( Bb   G   C )
```

```
Bb              Am          Dm
   Think for a moment of all the lives
Bb                  Am          Dm
   Stripped of their essence before their time
Bb                Am
   We stand to conquer
Gm            Dm          C         Dm
   But is there nothing left tomorrow?

( G#dim7   Am   Bdim7   C )

F                          Am
Sailing away, beyond the reach of anyone
F                       Am           Bb   F
Far beyond the dreams of everyone
C     Em          Am         Em
    No light to follow, a shot in the dark
Dm                   G
      Does anybody know?
F                          Am
Sailing away, beyond the reach of anyone
F                       Am           Bb   F
Far beyond the dreams of everyone
C     Em          Am         Em
      High from the heavens, I can't see the pain
Dm                   G
      Does anybody care?

( Bb   G   C )
