              Am
I don't know just how it happened
                                                               Midnight blows in through the window
    I let down my guard
                                                               Dances round the room
                                                                                           D7
Swore I'd never fall in love again
                                       but I fell hard
