

Avicii - Broken Arrows

Tom: G

Em C G
You stripped your love down to the wire
Em C G D
Fire shy and cold alone outside
Em C G
You stripped it right down to the wire
Em C G D
But I see you behind those tired eyes

Em C G
Now as you wade through shadows that live in your heart
Em C G D
You'll find the light that leads home
Em C G
Cause I see you for you and your beautiful stars
Em C G D
So take my hand, don't let go

Chorus:

Em C G
Cause it's not too late, it's not too late
Em C G D
I, I see the hope in your heart
Em C G
And sometimes you lose it, sometimes you're shooting
Em C G D
Broken arrows in the dark
Em
But I, I see the hope in your heart

Interlude:

Em C G Gm x8
Em C G

Em C G
I've seen the darkness in the light
Em C G D

The kind of blue that leaves you lost and blind
Em C G
The only thing that's black and white
Em C G D
Is that you don't have to walk alone this time

Em C G
We have to tear down walls that live in your heart
Em C G D
To find someone you call home
Em C G
Now you see me for me and my beautiful scars
Em C G D
So take my hand, don't let go

Chorus:

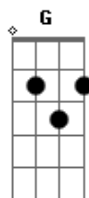

Em C G
Cause it's not too late, it's not too late
Em C G D
I, I see the hope in your heart
Em C G
And sometimes you lose it, sometimes you're shooting
Em C G D
Broken arrows in the dark
Em
But I, I see the hope in your heart

Interlude:

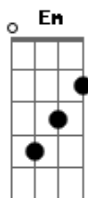

Em C G Gm x8

Em C G
Cause it's not too late, it's not too late
Em C G D
I, I see the hope in your heart
Em C G
And sometimes you lose it, sometimes you're shooting
Em C G D
Broken arrows in the dark
