

Avicii - Silhouettes

Tom: G

Press play, fast forward
 Nonstop, we have the beaten path before us
 It was all there, in plain sight
 Come on people, we have all seen the signs
 So we will never get back to, To the old school
 To the old grounds, it's all about the newfound
 We are the newborn, the world know all abouts
 We are the future and we're here to stay
 We've come a long way since that day
 And we will never look back, get the faded silhouette
 We've come a long way since that day
 And we will never look back
 Look back, get the faded to you
 Riff 2x: C Em D G
 Straight ahead on the path we have before us
 Day by day, soon the change will come
 Don't you know we took a big step forward

Just lead the way and we pull the trigger
 So we will never get back to, To the old school
 To the old grounds, it's all about the newfound
 We are the newborn, the world know all abouts
 We are the future and we're here to stay
 We've come a long way since that day
 And we will never look back, get the faded silhouette
 We've come a long way since that day, that day, that day
 We've come a long way since that day
 And we will never look back, get the faded silhouette
 We've come a long way since that day
 And we will never look back
 Look back, get the faded to you
