

# Avicii - Sunset Jesus

Tom: G

Try?na set my self up for the win  
 So people got a dream that?s so much bigger than the town they?re in  
 So give me love, give me love  
 Give me peace, give me piece of mind  
 I know that there's an ought to a start  
 And I need a little help with mine  
 California, don't let me down  
 Seems so golden, but there?s struggle all around  
 Sunset Jesus, came to me  
 He once was a waiter, now he's a savior making money on the street  
 My dreams are made of gold  
 My heart?s been broken and I?m down along the Road but I know  
 My dreams keep fading till I get old  
 Breathe for a minute, breathe for a minute, I?ll be okay

 Staring at the billboard from the bus  
 Looking at the faces thinking that could be anyone of us  
 So give me hope, give me hope, Give me hope on this lonely ride  
 ?Cause I know, one day, I?ll be the one in the sky  
 California, don't let me down  
 Seems so golden, but there?s struggle all around  
 Sunset Jesus, came to me  
 He once was a waiter, now he's a savior making money on the street  
 My dreams are made of gold
