

## Avicii - Trouble

tom:

A (forma dos acordes no tom de G )

Capostraste na 2<sup>a</sup> casa

Intro: Em D C G  
Em D C G

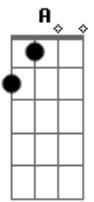

[Primeira Parte]

Em D C G  
I've been a beggar and I've been a king  
Em D C G  
I've been a loner and I've worn the ring  
Em D C G  
Losing myself just to find me again  
Em D C G  
I'm a million miles smarter, but I ain't learnt a thing  
Em D C G  
I've been a teacher and a student of hurt  
Em D C G  
I've kept my word for whatever that's worth  
Em D C G  
Never been last, but I've never been first  
Em D C G  
No I may not be the best, but I'm far from the worst  
No I may not be the best, but I'm far from the worst

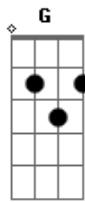

[Refrão]

C G D Em  
Oh I've seen trouble more than any man should bear  
C G D Em  
But I've seen enough joy, I've had more than my share  
C G B7 Em  
And I'm still not done, I'm only halfway there  
C G D Em  
I'm a million miles ahead of where I'm from  
C G D Em  
But there's still another million miles to come

[Segunda Parte]

Em D C G  
I keep on searching for the city of gold  
Em D C G  
And I'm gonna follow this yellow brick road  
Em D C G  
Thinking that maybe, it might lead me home  
Em D C G  
I'm a million miles farther and a long way from home  
Em D C G  
I know that there's a plan that goes way beyond mine  
Em D C G  
Got to step back just to see the design  
Em D C G  
The mind fears the heart, but the heart doesn't mind  
Em D C G  
No I may not be perfect, but I'm loving this life  
No I may not be perfect, but I'm loving this life
