

# Aviram - All My Love's in Vain

tom:

Intro: Am Gm C7 G7  
F Fm Bm E7  
Am Gm C7 Gm  
F Dm Bm Em

You can get across this ocean  
You can fly high to the sky  
Each land this hand can point through  
No matter where you're going to  
No body's gonna love you just the way I do  
( A )

And I can lose or gain  
Miss or catch the train  
And I may dream one or million dreams but all my love's in vain  
All my love's in vain  
And I can't really stand the pain  
Somedays are sunny  
Some are falling rain  
But all my love's in vain  
( Am Gm C7 G7 )  
( F Fm Bm E7 )  
( Am Gm C7 Gm )  
( F Dm Bm Em )

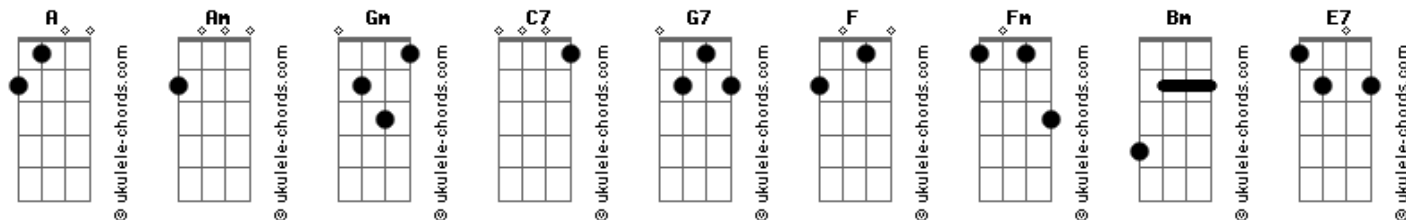

You can get across this ocean  
You can fly high to the sky  
Each land this hand can point through  
No matter where you're going to  
No body's gonna love you just the way I do  
( A )

And I can lose or gain  
Miss or catch the train  
And I may dream one or million dreams but all my love's in vain  
All my love's in vain  
And I can't really stand the pain  
Things I need have gone  
And things you want remained  
When someone's shine  
Someone's in pain  
Somedays are sunny  
Some are falling rain  
And all my love's in vain

Miss or catch the train  
And I may dream one or million dreams but all my love's in vain  
All my love's in vain  
And I can't really stand the pain  
Somedays are sunny  
Some are falling rain  
But all my love's in vain  
( Am G )  
I wanna get it happy  
Wanna see the Sun shine  
But it's only falling rain  
I wanna try to fly high  
Getting more before you close the door again  
And make me feel that pain  
When all your love's in vain  
( D Dm A A7 )  
( D Dm A A7 )

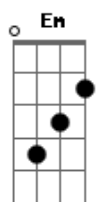

And I can lose or gain (to gain or lose)  
Miss or catch the train (to miss the train)  
I may dream one or million dreams but all my love's in vain  
All my love's in vain  
And I can't really stand the pain  
Things I need have gone  
And things you want remained  
When someone's shine  
Someone's in pain  
Somedays are sunny  
Some are falling rain  
And all my love's in vain
