

Aviram - Praying For You

tom:
 I'm not praying for nothing at all
 How could I pray for something since you've been broken in my
 Heart
 I'm not looking for nothing at all
 How could I've been looking for something since you've been
 Holding my Heart
 I'm just praying for you
 I'm praying for my love
 Would you say a prayer too?
 I'm praying for my love to come
